

Nama : Citra Febriawirti

Tugas : Day -2

## Citra Febriawirti

### Summary

I am currently in the 7th semester studying at Universitas Metamedia. My major is Information System. I am interested in website development, especially in the field of Frontend development using Javascript as the main programming language. I take a part in student organization to improve my communication, teamwork, critical thinking skills. I love to share my knowledge with others and hope to enhance my idea as well as to create chemistry with my fellows.
